Civitavecchia is the gateway to all the magnificence of the ancient city of Rome. Whether it's the Forum, the Sistine Chapel, the Pantheon or St. Peter's Basilica that sparks your interest and intellect, Rome is home to a lifetime's worth of historical, architectural and spiritual sites. Depending on traffic, the drive from Civitavecchia to Rome takes approximately an hour and a half.

**Palma De Mallorca, Spain**

Palma de Mallorca is the largest of the Spanish Balearic Islands in the Mediterranean and is located just off the east coast of Spain. The island's coastline is marked by a series of small caves and beautiful beaches. Palma de Mallorca is the capital city of the Balearic Islands and nearly two-thirds of the total population live in Palma. The number of people greatly increases in the spring, as the island is a favorite European resort

**Cartagena, Spain**

In the southeast of Spain on the Mediterranean Sea, you'll find a natural harbor surrounded by five hills - welcome to the seaport known as Cartagena. Cartagena was the main city of the Spanish Carthaginians, who named it after their own capital. The port is rich in ancient and maritime history. The town is walled, the harbor defended by forts, and Roman ruins are scattered throughout. Let the adventure begin!

**Funchal (Madeira), Portugal**

The island of Madeira is located in the Atlantic Ocean about 370 miles off the coast of Morocco. For over 100 years tourists have enjoyed its rugged volcanic peaks, beautiful tropical coastline and a climate that's never too hot or cold. Madeira lace and Madeira wine are both still produced here in the Old World tradition. Many hidden valleys, peaks and botanical gardens are just waiting to be explored

**Santa Cruz, Canary Islands**

Made up of volcanic rock and lush green vegetation, there's no wonder why the island of La Palma is also known as "The Pretty Isle." It's one of seven islands in the Canary Islands archipelago off the coast of Africa and is dominated by natural beauty, from bright blue skies to black-sand beaches

**Nassau, Bahamas**

For a city now known for its warming sun and balmy breezes, Nassau has a tumultuous past. First settled by the English, the area was contested by England, France and Spain. For many years, Nassau was a home base for notorious pirates, and it was burned to the ground by the Spanish three different times. Since 1740, however, visitors from all over the world in search of both relaxation and adventure have made Nassau their favorite destination.
